About This Content

Whether you're fighting off hordes of terrifying aliens or testing your wits against androids with exceptional AI, you'll need a battle background that sets the right mood.

Expertly painted by Michael Galefire, Sci Fi Battlebacks pack includes everything you'll need to make your battles feel even more intense. From star-ship decks to strange alien landscapes, the variety and incredible detailed quality of this pack makes it a certain must-have.

This pack contains:

- Masterfully hand-painted backgrounds
- 19 floor "Battlebacks 1" files
- 13 wall "Battlebacks 2" files
- Mix and match details to create different and unique environments

Sci Fi Bottlebacks

The artstyle catching your attention? I say it's well worth the price, but get it onsale if you feel indifferent.. These are some very useful battle backgrounds with an amazing price. If you're going to have an alien-age game, or anything in the Science Fiction category, this is for you!. If you're going for a Sci-Fi theme, these work perfectly. 19 base backs with 13 overlays to provide some variety.
